

THE RIDGEWAY BARNS

— WILTSHIRE —

2025-2026 WEDDING BROCHURE

**EXCLUSIVELY YOURS, FOR YOUR WEDDING OR
CELEBRATION**

Welcome to The Ridgeway Barns, an award-winning Wiltshire wedding and events venue, set in the heart of the North Wessex Downs. Let us see how we can make your wedding truly special!

Here at The Ridgeway Barns we believe that every wedding is unique, and we are passionate about putting our clients at the heart of everything we do. Flexibility underpins our ethos, and our dedicated events team will work with you to curate and

deliver the event of your dreams, ensuring a truly memorable day for years to come!

Say your vows under the oak-framed gazebo or in the Threshing Barn, enjoy your drinks reception on the lawn, then gather in the Threshing Barn for your wedding breakfast, where you can also party the night away.

For weekend events we offer three-day exclusive hire including accommodation for 15, allowing you to really make the most of your wedding; gathering with your closest friends and family the night before your big day, and extending celebrations into the Sunday if you wish. One-day, one-night and two-night options are available midweek.

THE THRESHING BARN

Newly renovated in 2023, our 19th century Threshing Barn is a gorgeous rustic space for wedding ceremonies and receptions up to 100 day and 120 evening guests. And new for 2024 ~ check out our stunning glass atrium!

Choose round banquet tables or rustic wooden trestle tables for your wedding breakfast, then party the night away to your favourite band or DJ.

The Ridgeway Barns is a fully licenced venue and provides a well-stocked and reasonably priced bar, as well as bespoke service options if you would like to bring your own alcohol. The bar will be open throughout your wedding, typically from the arrival of guests until 11.30 pm (except during your ceremony).

THE GARDEN

With stunning views over the North Wessex Downs, the spacious, landscaped garden is the ideal location for hosting your outdoor ceremony, drinks reception and photographs.

Say 'I do' under our gorgeous oak-framed gazebo, with paddocks and rolling downland as your backdrop, then enjoy the breath-taking views while enjoying your drinks reception on the lawn or terrace.

During the summer months, you can also benefit from our stretch tent over the terrace (included for weddings over 80 day guests, between April and October), or host your marquee or tipi celebrations on the lawn (May – September, marquee not included).

THE FARMHOUSE

Our beautifully renovated Georgian farmhouse includes six private bedrooms (sleeping 11) and two glorious reception rooms, both of which are licenced for ceremonies but can also be configured for drinks parties or dining. There is a spacious farmhouse kitchen diner, conservatory, and a snug where you can relax with your nearest and dearest. To the rear of the farmhouse is The Pumphouse, a self-contained ground-floor annex that sleeps two, and is suitable for those with reduced mobility.

THE OLD STABLES

The Old Stables is our stunning private honeymoon suite, with vaulted ceilings, luxury en-suite bathroom and a kitchenette. Prepare for your big day with friends, then enjoy a champagne breakfast as newlyweds.

OUR SEASONS

Low season prices apply from January to March and in November. Shoulder season prices apply in April and October. High season prices apply from May to September, and at Christmas and New Year. Other dates in December vary based on the proximity to Christmas.

A three-night minimum stay applies on bank holiday weekends.

WHAT DOES THE PRICE INCLUDE?

Our venue hire fee includes the following core services.

- **Exclusive use of the venue for the duration of your booking** (for weekend weddings this is typically midday Friday until 4 pm Sunday) so that you can make the most of your time with friends and family. Enjoy an intimate pre-wedding meal with your nearest and dearest or invite everyone back for a post-wedding BBQ the following day. One-day, one-night and two-night options are available midweek.
- For barn weddings, you will have access to **the Threshing Barn** from 10 am until midnight on the day of your wedding. Access is also possible from midday until 5 pm the day prior to your wedding, when you book two nights of accommodation. Rustic or round tables and cross-back chairs for up to 100 guests are included.
- Most of our options include **Farmhouse accommodation for 15**, including our luxury honeymoon suite. Bedrooms will be available by 4 pm on the day of arrival (usually earlier).
- Feeling a little overwhelmed? We include **wedding planning support and day of the event coordination** to ensure your day runs to your plan, and that your suppliers and guests are in the right place at the right time.

- And to help make your wedding planning straightforward, you will have free access to **Hostology** ~ our wedding planning platform.
- We are a **fully licenced venue** so we provide all drinks service. Hire includes a **staffed bar** for the duration of your event (excludes elopement and intimate weddings in the farmhouse), and we have service options available if you wish to provide your own alcohol. See our drinks options brochure for further details.
- **Set up for your ceremony.** We are licenced for indoor (capacity 24 in the farmhouse, or 100 in the barn) and outdoor ceremonies (capacity 150). Whether you would like an on-site civil ceremony, a blessing, or a celebrant-led ceremony, we will set up for your day. Or, if you prefer, there are some great local churches nearby. For civil ceremonies, you will need to book a registrar through Swindon Register Office.
- We have a **PA system** that can be used for your ceremony, speeches and music.

You are free to choose your own suppliers, including caterers, florists, photographers and entertainment, and we can certainly help you find some excellent ones (see our directory of trusted partners). For marquee weddings you will also need to hire a marquee or tipi, including tables, chairs, power supply and additional loos.

*Additional charges apply if you wish to use the barn for a second day of events.
